

Minutes, TCARC Board Meeting, 7 October 2015  
Culver's on Neil, Champaign, Illinois

Present:

Wayne Hamilton AB9FJ, President  
Milt Forsberg K9QZI, Treasurer  
Chris Anderson W9CMA, Secretary  
Al Wolfe K9SI, Director  
Tom Lea K5LEA, Director

September 2015 Minutes approved as submitted.

September 2015 Treasurer's Report approved as distributed.

Repeaters:

- Milt thinks that the EchoLink computer shutting down may be a cooling issue. Al will look for a replacement PC.
- D-STAR is working normally, although the DSL is still flaky. Milt thinks we should investigate that. Wayne will talk to CJ about the possibility of testing the lines under our control.
- Al moved that we repair or replace the UPS used for the computers at the repeater site. Wayne seconded, motion carried.
- Because of his workload, Ben has not yet configured the Yaesu Fusion repeater with the ability for a quick swap. Milt suggested we put it back on 444.100 to allow those with Fusion-capable radios to use it.

We discussed possible dates for the Auction. Al informed us that the church has no Saturdays committed yet for April. We decided to plan for April 2 or 9.

The Program Committee has nothing planned for the upcoming meeting. Tom offered to show the kits he recently built. Milt said he could discuss the D-HAP and Raspberry Pi he uses for D-STAR access.

---

Regular monthly meeting, October 13, 133 Fire Service Institute. 16 in attendance. Tom K5LEA on kit building. Milt K9QZI on using D-STAR with the D-HAP (Digital Ham Access Point) Mini Mega.
